Cadrea

Design Simone Viola

Materials Polypropylene, eco leather

Sometimes, shapes can be like a scent. They can treasure and unleash memories. By unveiling feelings hidden just beneath the surface, they reveal lines that seem to be familiar without ever having seen them before. Indeed, this is the case for the Cadrea collection. Just like a Madeleine de Proust, it bears the well-known form of a bistro chair, of which it maintains the comfort and ease of handling typical of a daily-use object, combined with the freshness of a completely refurbished, contemporary

design. The chair and the two high and low stools make up the essential elements necessary to meet the requirements of a home, either indoor or outdoor, but they also fit perfectly in a restaurant or in a cafe. Cadrea is a monoblock characterized by lightweight, resistance to light, and weatherproofing. As a complement to the collection, the indoor version features lightweight eco-leather seat paddings in matching or contrasting colours.
